### Acknowledgement

We ask that funding recipients acknowledge the contribution of the Central Wellness Coalition as appropriate in their project e.g. in media interviews, displays, and publications etc.

Please note that original receipts may be requested to be returned as proof that the money was spent as intended and any monies not spent as outlined in the project budget must be returned to the Coalition at the end of the project. Failure to comply with this requirement will result in the organization becoming ineligible for future funding from the Coalition. There are feedback forms required to be submitted after Food and Fun camps are completed.

**Note: During the public health emergency it is the responsibility of host (community group, municipality etc. offering programming) that all programs supported by the CWC must be delivered while respecting and meeting public health guidance requirements as found at <https://www.gov.nl.ca/covid-19/>.**
